

Minnesota Catholic Conference seeks Catholics at the Capitol Intern

Ongoing Opportunities Available

Are you looking to learn more about the intersection of your Catholic faith with policy and society, while building your skill set in a professional environment? Consider interning with the Minnesota Catholic Conference, the official public policy voice of the Catholic Church in Minnesota. We are on the cutting edge of advocacy, evangelization, and government relations and are looking for a talented and enthusiastic intern to join us.

The Catholics at the Capitol intern will contribute to MCC's apostolate by aiding our efforts to form and inform Minnesota Catholics at our bi-annual event. Various projects may include, but are not limited to:

- Assisting with the promotion of "CatCap"
- Outreach to Catholic parishes and organizations across the state
- Assisting with scheduling of legislative meetings
- Updating documents to be distributed to attendees
- Organizing inventory and conference supplies
- Database and advocacy platform maintenance
- Brand identity enhancement
- Writing and editing
- Social Media support
- Special projects as requested

The internship is meant to be a positive experience for *you*. MCC will provide you with meaningful opportunities to put your strengths into action, while also offering professional development and opportunities for growth across the board.

Catholics at the Capitol takes place on April 15, 2021. The internship will last through the end of April.

Qualified candidates will have a deep interest in and commitment to the Catholic faith, particularly as it applies to politics and society; will possess skills and abilities in at least some of the aforementioned areas (and a desire to grow in others); and will bring a track record of hard-work, creativity, and positivity.

The internship is unpaid, though a stipend may be offered at its conclusion. Interns are expected to work a consistent weekly schedule, but time, hours, and duration are negotiable.
